PROFESSIONAL BALLET SCHOOL

## LDA Registration Policies

**\$50 Annual Registration Fee** - There is an annual Family Registration Fee of \$50 charged during the Fall Session that covers each family for Fall, Spring and Summer Sessions. In the event the family is new for Spring the fee will be charged during Spring Session registration. In the event the family is new for Summer the fee will be waived until the following Fall Session registration period.

**A Multi-Class discount is automatically built into our tuition structure.** An automatic discount is applied per class for all students registered in more than one class per week.. For advanced dancers we offer an Unlimited option for students taking 14 or more classes per week during the Fall/Spring Sessions.

**Students taking one class per week** are charged a single tuition per Session that covers all classes. LDA pro-rates by the month not the class for the Fall and Spring sessions only. If your dancer is joining mid-session you are eligible for a pro-rate to the current month.

**Registration Policy:** LDA accepts registrations by the Fall, Spring, or Summer Sessions only. The Session tuition is divided into monthly payments during the Fall/Spring for the convenience of our families who have dancers in two or more classes per week. Session payments may be made in a single lump sum payment or by auto-pay monthly increments (\*auto-pay is available as a courtesy to dancers taking 2 or more classes per week; families are responsible for the entire Session tuition with no refunds). Please be aware of this policy before completing your Session registration.

Auto-pay and discounted class rates are only available to students who are registered for the entire Session. Drop-ins are available space permitting for \$25 per class. In order to provide professional level teachers and to run year-long classes with minimal interruption and changes there are no refunds for any reason on registered classes. Tuition takes the entire year into consideration and the amount of classes per week may not be lessened once registration is complete. By registering for the Session you are agreeing to pay the entire tuition balance of classes during the Session time frame whether or not you are enrolled in monthly auto-pay.

**Changes to your registration:** Class types and times may be altered and additional classes may be added at any time by the registering student. The amount of classes per week may not be lessened once registration is complete. If a student registers for 7 classes per week the family is agreeing to pay the full Session tuition of 7 classes, no refunds. The student may change the configuration of their classes and may add classes to their schedule at any time.

**Make-Up Policy:** Classes may be made-up for absence and illness within two weeks of the missed class. Make-up classes can be taken in any genre of the same level or age group. It is the parent's responsibility to notify the front desk of the desired make-up time and date.
